

## Archive Education and Outreach Service

Norfolk Record Office (NRO) are working to update our existing provision of workshops for Key Stage 2 pupils, for the 2017-18 school year. Workshops will continue to be free of charge, last approximately 2 hours, and can take place in The Archive Centre (with original documents) or in your school (using copies of documents).

In order to tailor our programme to the needs of local schools we would be grateful if you could take the time to complete the following questionnaire.
